Experience

Georgie is a principal in Ruck-Shockey Associates, Inc., an S-Corporation formed in 1997. She has 35 years of operational and project experience in the areas of dining services, retail, patient meals, environmental services, patient transport and laundry. Experiences include operational review & assessment studies; service integration (multi-service/multi-unit); meal delivery service programs; oversight reviews; implementation processes, transition, integration and request for proposal (RFP) leadership.

Georgie is experienced in conducting feasibility studies where large capital investments are needed, making appropriate recommendations, and providing implementation plans. She has helped operators secure multimillions in capital for her clients. She also has experience in EVS standards, procedures, training and infection control methods for healthcare settings. Georgie utilizes financial and cost benefit analysis skills to assist in creating effective and sustainable operations.
