Experience

Judd is an associate with Ruck-Shockey Associates, Inc., an S-Corporation formed in 1997. He is an experienced professional with over 30 years of leadership, operational, financial and project experience mainly in Environmental Services, but also including extensive experience in Support Services/Guest Services/Ancillary Services, to include Parking and Transportation, Call Center and Service Response Centers, Communications, Laundry and Linen operations, Landscaping, and Food Service (Culinary) operations.

Judd is experienced in conducting facility audits, making appropriate recommendations and providing implementation plans. He is experienced in facility Design and Construction, with a focus on FFE design and execution, as well as Interiors assessment and implementation. He has additional experience in the design and implementation of productivity and management software for EVS. Additionally, he taught for 11 years at the University of Phoenix in Undergraduate Healthcare and Business Administration colleges. He emphasizes training and staff development for EVS and Support Services staff.
